EARL L. MAHFUZ
TREASURER
(404) 656-5224

January 17, 2008

Thank you for attending the public information open house for NHS-0000-00(297), P.I. No. 0000297. Project NHS-0000-00(297) represents the proposed reconstruction and widening of SR 3/US 19 from CR 73/East-West County Road to CR 8/Atwater Road in the City of Thomaslon. In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Department of Transportation (DOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a DOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until January 31, 2008. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environmental/Location Engineer, Georgia Department of Transportation, 3993 Aviation Circle, Atlanta, Georgia 30336-1593. Comments can also be made via the web at www.dot.state.ga.us. Click on **Public Outreach** from the list of Featured Links. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays will be available for review for ten days after the public information open house at the Georgia Department of Transportation Area One Office located at 101 Transportation Boulevard, Thomaslon, Georgia 30286-4524. A copy of all comments received will be available for public review at this same location and at the Office of Environment/Location, 3993 Aviation Circle, Atlanta, GA 30336-1593, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments.

Sincerely,

Thomas Howell, P.E.
District Three Engineer

Project NHS-0000-00(297), Upson County
P.I. No. 0000297
SR 3/US 19 Reconstruction and Widening

Project Description

The proposed project is located in Thomaston, Georgia. The total project length is approximately 2.0 miles long. The existing roadway is an urban section with two lanes in each direction and a two-way left turn lane on the southern third of the project. There is one signalized intersection at Jeff Davis/Harp Road.

The proposed project would widen SR 3/US 19 by adding a raised median of variable width. Turn lanes would be added at selected locations. All existing intersections would continue to tie into SR 3/US 19 at their approximate existing locations, with the exception of Delray Road. Delray Road would be realigned to intersect SR 3/US 19 opposite Jimmerson Road, and a new traffic signal would be installed at this intersection. The realigned portion of Delray Road would consist of two 12-foot lanes with eight-foot shoulders (two feet paved and six feet unpaved).
