Thank you for attending the public hearing open house for GEORGIA DEPARTMENT OF TRANSPORTATION PROJECT STP00-0000-00(421), P.I. No. 0000421, the proposed SR 25 Spur Extension. In this handout package, you will find a need and purpose statement, project description, location map, environmental statement, right-of-way statement, and comment card.

As you enter the room, you will notice displays of the proposed project. Georgia Department of Transportation (GDOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a GDOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here, or send in written comments about the project until October 5, 2010. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environmental Administrator, Georgia Department of Transportation, 600 West Peachtree Street NW, 16th Floor, Atlanta, GA 30308. Comments can also be made via the web at www.dot.ga.gov. Click on **Public Outreach** from the **Information Center** dropdown menu at the top right side of the page. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let GDOT know your view of the proposal.

The displays and plans will be available for review for ten days after the public hearing open house at the Georgia Department of Transportation District 5 Office, and Brunswick Area 3 Office located at 128 Public Safety Boulevard, Brunswick, Georgia. A copy of all comments received will be available for public review at this same location and at the Georgia Department of Transportation, Office of Environment Services, 600 West Peachtree Street NW, 16th Floor, Atlanta, GA 30308, as soon as compilation is completed.

Again, thank you for attending this public hearing open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact the project manager Matt Bennett at (912) 271-7404 or Glenn Bowman, P.E. at 404-631-1101 of the Office of Environmental Services.
