LARRY E. DENT  
DEPUTY COMMISSIONER  
(404) 656-5212

EARL L. MAHFUZ  
TREASURER  
(404) 656-5224

December 2, 2004

Thank you for attending the public information open house for STP-0001-00(814) DeKalb County, P.I. No. 0001814, the proposed addition of a continuous center turn lane on Montreal Road/CR 1130 and construction of a bridge at its intersection with the CSX Railroad. In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Department of Transportation (DOT) representatives, who can be identified by the name tags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a DOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until December 13, 2004. Written comments should be sent to Mr. Harvey D. Keeper, State Environmental/Location Engineer, Georgia Department of Transportation, 3993 Aviation Circle, Atlanta, Georgia 30336-1593. Comments can also be made via the web at [www.dot.state.ga.us](http://www.dot.state.ga.us). Click on **Public Outreach** from the list of Featured Links. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation District 7 Area 1 office located at 805 George Luther Drive, Decatur, Georgia. A copy of all comments received will be available for public review at this same location and at the Office of Environment/Location, 3993 Aviation Circle, Atlanta, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments.

Sincerely,

Thomas L. Turner, P. E.  
Director of Preconstruction

TLT/lwf
