Thank you for attending the noise outreach meeting for STP00-0000-00(566), P.I. No. 0000566, the proposed Sardis Church Road Extension. In this handout package you will find a project description, location map, and noise barrier survey.

As you enter the room, you will notice displays of the proposed project. Georgia Department of Transportation (GDOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a GDOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here, or send in written comments about the project until April 9, 2013. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environmental Administrator, Georgia Department of Transportation, 600 West Peachtree Street NW, 16th Floor, Atlanta, Georgia 30308. Comments can also be made via the web at www.dot.ga.gov. Click on **Public Outreach** from the **Information Center** dropdown menu at the top right side of the page. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let GDOT know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation District 3 Area Office located at 4499 Riverside Drive, Macon, Georgia 31210. A copy of all comments received will be available for public review at this same location and at the Georgia Department of Transportation, Office of Environment Services, 600 West Peachtree Street NW, 16th Floor, Atlanta, Georgia 30308, as soon as compilation is completed.
