

Detour Route

The closure of 14th Street will occur during the construction of Project NHS-0001-00(298). Starting at the intersection of 14th Street and Fowler Street, heading east to Williams Street, the entire bridge will be closed. Local traffic will be able to access 14th Street to the intersection of Fowler Street. Along with the bridge being closed, Techwood Drive, which lies to the west of I-78/I-85, will also be closed. The detour is prepared as follows:

Proceeding from west to east beginning at 14th Street at Northside Drive

The detour will take the route of proceeding north on Northside Drive NW, turning east onto 17th Street and proceeding east across I-75/I-85 and turning south onto Spring Street NW. 14th Street lies approximately 0.4 mile south from the 17th Street/Spring Street intersection.

Proceeding from east to west beginning at 14th Street at West Peachtree Street

The detour will take the route of proceeding north on West Peachtree Street, turning west onto 17th Street across I-75/I-85 to Northside Drive, and then turning south onto Northside Drive NW. 14th Street is approximately 0.4 mile south from the 17th Street/Northside Drive NW intersection.
