Thank you for attending the public information open house for STP00-0001-00(939), P.I. No. 0001939, the proposed Northeast Monticello Bypass. In this handout package you will find a project description, location map, and comment card.

As you enter the room, you will notice displays of the proposed project. Georgia Department of Transportation (GDOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a GDOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here, or send in written comments about the project until May 20, 2013. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environmental Administrator, Georgia Department of Transportation, 600 West Peachtree Street NW, 16th Floor, Atlanta, Georgia 30308. Comments can also be made via the web at www.dot.ga.gov. Click on **Public Outreach** from the **Information Center** dropdown menu at the top right side of the page. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let GDOT know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation Area Office located at 161 Blandy Road, Milledgeville, GA 31061. A copy of all comments received will be available for public review at this same location and at the Georgia Department of Transportation, Office of Environment Services, 600 West Peachtree Street NW, 16th Floor, Atlanta, Georgia 30308, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact the project manager George Brewer at (478) 538-8604 or Bobby Dollar at (404) 631-1920 of the Office of Environmental Services.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Bowman/jm".

P.I. No. 0001939
Northeast Monticello Bypass

Project Description

The proposed project consists of the construction of a northeast truck route bypass around the city of Monticello, Georgia beginning just south of the SR 380 intersection with SR 16 and continuing north and east on new location to SR 83 (see **Figure 1A**, Project Location Map). Total project length is approximately 3.45 miles. The proposed truck route bypass typical section would consist of two 12-foot travel lanes (one lane in each direction) with 8-foot rural shoulders (4-foot paved) on approximately 120 to 200 feet of proposed right-of-way. Two bridges are proposed over White Oak Creek and the Norfolk Southern Railroad. The proposed bridge over White Oak Creek would be approximately 260 feet in length by 40 feet wide. The proposed bridge over the Norfolk Southern Railroad would be approximately 188 feet in length by 40 feet wide. The proposed speed design is 55 miles per hour (MPH) and access will be by permit. Traffic will be maintained along the existing roadway network during project construction.
