

October 22, 2008

Thank you for attending the property owners meeting for Proposed Project HPP00-0013-01(062), P.I. No. 731770, Buford Highway Pedestrian Improvements, DeKalb County, Georgia.

Proposed project HPP00-0013-01(062) would consist of replacing the existing two-way left-turn lane with a raised median and constructing new 5-foot sidewalks along both sides of Buford Highway. Mid-block crossings would be constructed at various locations, and pedestrian level lighting would be placed at regular intervals. Two public information open houses were held for this project on August 20, 2006, and August 31, 2006. Since that time, detailed design plans have been prepared and have revealed that additional property would be required in order to construct the proposed improvements.

As you enter the room, you will notice displays of the proposed alignment shift. Georgia Department of Transportation representatives can be identified by their name tags and are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a Department representative. There will be no formal presentation.

Attached to this letter you will find a comment card. You may complete the card provided and deposit in the box made available here or send in written comments about the project until November 5, 2008. Written comments should be sent to Mr. Glenn Bowman, State Environmental/Location Engineer, Georgia Department of Transportation, 3993 Aviation Circle, Atlanta, Georgia 30336-1593. For additional questions, please contact Mike Lobdell at 770-986-1257 or Melanie Nable at 404-699-4436.

The displays and plans will be available for review after the meeting on the website at [www.dot.state.ga.us](http://www.dot.state.ga.us). Follow the links "General Public" → "Public Information" → "Public Outreach". The information will also be available for review for ten days after the meeting at the Georgia Department of Transportation District 7 office located at 5025 New Peachtree Road, Chamblee, Georgia 30341.

Again, thank you for attending this property owners meeting and for giving us your comments.

Sincerely,

A handwritten signature in blue ink that reads "Bryant Poole" followed by a stylized flourish.

Bryant Poole, P.E.  
District Engineer
