

INDUSTRY ANNOUNCEMENT

August 14, 2020

The Georgia Department of Transportation is pleased to announce an Industry Forum will be held to showcase PI #0017389 Statewide ITS DMS Deployment Design-Build Project. In light of current public health guidelines encouraging social distancing, the meeting will be held virtually through a pre-recorded presentation. The virtual program will include remarks by project leadership, who will speak about the projects and future of mobility in Georgia.

The prerecorded Industry Forum presentation will be available for viewing on Thursday, September 10, 2020, starting at 8 a.m. Interested attendees are asked to [pre-register](#). Registered attendees will be emailed a direct link to the presentation once it is available. Within 24-hours, the link to the presentation and a list of registered attendees, including contact information, will be posted to the Design-Build web page.

One-on-one meetings will be held Friday, September 11, 2020, via protected and private Webex links following the Industry Forum. For additional one-on-one meeting information refer to the Public Notice Advertisements (PNA) located on the Georgia Procurement Registry (GPR).
