

Statewide ITS Dynamic Messaging Signs (DMS) Deployment
Design-Build Project

P.I. Number: 0017389
Cobb, Cherokee, and Chatham Counties, GA

Date: August 14, 2020

Disclaimer:

- Please be advised that this information is preliminary and is provided for information only. All final scope requirements will be included in the Request for Proposals (RFP).

Project Information:

- Provide design, permitting, utility coordination and/or utility relocation, construction and any other related services necessary to build the Project.
- A Design-Build Team will be responsible for design and construction of the Project. The work consists of the installation of three DMS in Cobb and Cherokee Counties around the I-75 Express Lanes and two DMS signs in Chatham County near Port Wentworth.

Environmental:

- The Environmental document is currently being prepared and is expected to be an Environmental Screening Memorandum, and is anticipated to be completed in the 4th Quarter of 2020.

Permitting:

- The Design-Build Team will prepare all applicable permit(s) to the Department's satisfaction. The Department will transmit permit(s) to the respective agency, and the Design-Build Team will be responsible for satisfactorily addressing all comments.
- All site erosion control BMPs, including obtaining any stream buffer variances, will be the responsibility of the Design-Build Team.

Utility Scope of Work:

- All Design-Build projects at the Department are Public Interest Determination (PID).
- The Department will provide a White Lining Specification as a part of the contract.
- The Design-Build Team will be responsible for coordinating and/or relocating all affected utilities or obtaining no-conflict letters from all utility owners.

Right-of-Way Scope of Work:

- The Department anticipates that no ROW acquisition will be required for the Design-Build Team to perform the work.

Additional Comments:

- The Design-Build Team will be responsible for installing all equipment at each DMS site including a DMS structure, maintenance cabinet, and CCTV camera.
