Dear Commissioner Golden:

We have reviewed the request to use proprietary items for I-285/CR 209 Riverside Drive Roundabouts in the City of Sandy Springs, Fulton County, PI # 0010925.

FHWA accepts the Certification provided by the City of Sandy Springs, which states the following items are essential for the synchronization, with existing street improvement projects and aesthetic synchronization, to match the visual appearance of existing facilities previously installed in the City:

Roadway LED Lighting

Manufacturer: Phillips Lumec

Lumec Fixtures: DMS50-135W80LED4K-ES-LE3F-VOLT-GN8TX

Lumec Bracket: NM-1A-GN8TX

Lumec Pole: RSS61V-28-GN8TX

Roundabout LED Lighting

Manufacturer: Phillips Lumec

Lumec Fixtures: DMS50-70W64LED4K-ES-LE3S-120-GN8TX

Lumec Bracket: LM-1A-GN8TX

Lumec Pole: RA61U-15-GN8TX

Therefore, FHWA finds that it is acceptable to use the above listed items for the purpose of synchronization with existing facilities. This approval is only applicable for use on PI # 0010925, Fulton County. The City of Sandy Springs is responsible for ensuring that these items comply with the Buy America Act.

If you have any questions, please contact Julio A. Nuñez at (404) 562-3638.

Sincerely,

Rodney N. Barry, P.E.
