Dear Ms. Patel:

The Historic Preservation Division (HPD) has received the documentation for the above-referenced project. Our comments are offered to assist the Georgia Department of Transportation (GDOT) and the Federal Highway Administration (FHWA) in complying with the provisions of Section 106 of the National Historic Preservation Act, as amended.

Based on the information provided in the June 9, 2014 Assessment of Effects document prepared by Edwards-Pitman Environmental, Inc. for the above-referenced project, HPD concurs with GDOT's determination that the proposed project will have **no adverse effect** on the Garrison House (Property 2), as defined in 36 CFR Part 800.5(d) (1).

If we may be of further assistance, please contact Stephanie Jordan, Transportation Projects Coordinator, at (404) 463-6687 or [stephanie.jordan@dnr.state.ga.us](mailto:stephanie.jordan@dnr.state.ga.us).
