OCEAN HIWAY — DESIGNATED.

No. 26 (Senate Resolution No. 112).

A RESOLUTION

To designate U. S. Route 17 as the "Ocean Hiway;" and for other purposes.

WHEREAS, U. S. Route 17, which enters the State of Georgia at Savannah and goes through the coastal regions of Georgia to the Florida line, is the only highway in Georgia which runs parallel to and lies only a short distance from the coast line of the Atlantic Ocean, and

WHEREAS, our sister states to the north have designated that route and other connecting routes as the "Ocean Hiway" and as a result of a concerted advertising effort, have attracted much tourist trade thereby, and

WHEREAS, such states have erected markers along such route designating it as the "Ocean Hiway," and it would be highly advantageous to Georgia to so designate and mark U. S. Route 17 in Georgia.

NOW, THEREFORE, BE IT RESOLVED by the General Assembly of Georgia that that portion of U. S. Route 17 which lies within the State of Georgia is hereby designated as the "Ocean Hiway." The State Highway Department is hereby authorized and directed to erect suitable markers designating such route as the "Ocean Hiway." The proper officials of the State Highway Department shall consult with the corresponding departments in South Carolina, North Carolina, Maryland and Virginia concerning such markers in order that the markers in all such states be as uniform and similar as possible.
