SUBJECT GDOT Projects EDS00-0441-00(042)(043) & BR000-0001-00(22), Morgan & Oconee Counties; P.I. #s 122660, 222560 & 0001222 and HP-950816-002: Survey Report Addendum.

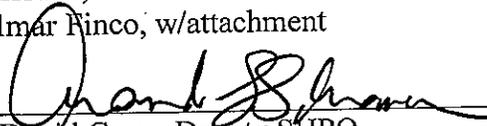

Attached is the Survey Report Addendum for the subject projects. This document describes the Department's efforts to identify historic properties located within the proposed projects' area of potential effects and the evaluation of all identified properties through the application of the Criteria of Eligibility to determine eligibility for inclusion in the National Register of Historic Places.

In addition to the additional properties surveyed, the eligible boundary for the Apalachee Historic District was also re-evaluated, and a memorandum describing the proposed boundary revision is included in Appendix A. This boundary incorporates resources which were identified in the 1995 Survey Report into the Sidwell Farm Historic District. These previously identified resources are as follows: Apalachee Resource 4/M. Sidwell House, Apalachee Resource 5/Sidwell House, the Sidwell Merchantile Store, the Sidwell Tenant House, the Apalachee Fire Tower, and the Sidwell Barn.
