

Clayton County & the Georgia  
Department of Transportation

WIDENING & RECONSTRUCTION  
OF  
Godby Road

From Southampton Road to West Fayetteville Road  
(SR 314) in Clayton County

November 30, 2006

Thank you for attending the public information open house for Project CSSTP-0006-00(860), Clayton County, P. I. No. 0006860, the proposed widening and reconstruction of Godby Road from Southampton Road to West Fayetteville Road (SR 314). In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Georgia Department of Transportation (GDOT), Clayton County Transportation and Development (DOT) and B & E Jackson Engineers representatives, who can be identified by the name tags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with B & E Jackson Engineers or DOT representatives. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until December 14, 2006. Written comments should be sent to Eugene Xue, PE, B & E Jackson Engineers, International Tower, Suite 300, 229 Peachtree Street NE, Atlanta, GA 30303. Comments can also be made via the web at [www.dot.state.ga.us](http://www.dot.state.ga.us). Click on **Public Outreach** from the list of Featured Links. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Clayton County DOT Office located at 7960 North McDonough Street, Jonesboro, Georgia 30236. A copy of all comments received will be available for public review at this same location as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments.

Sincerely,

Eugene Xue, PE  
Project Manager  
B & E Jackson Engineers

## **Godby Road Widening and Reconstruction from Southampton Road to West Fayetteville Road (SR 314) in Clayton County**

### **PROJECT DESCRIPTION**

This project is located in the northwestern corner of Clayton County, beginning at the intersection of Godby Road and Southampton Road and ending at the intersection of Godby Road and S.R. 314/West Fayetteville Road. The total project length is approximate 0.58 mile. This project will consist of widening the existing two-lane roadway to a four lane divided roadway with a 20-foot median and 12-foot shoulder on both north and south sides of the road, including 2.5-foot curb and gutter, 2-foot strip of grass, 5-foot sidewalks and 2.5-foot outer grass strip. This project is the last 2-lane roadway segment of the East – West four (4) lane collector, which connects 4-lane Godby Road to the west and 4-lane Phoenix Blvd to the east; therefore completing the western leg of the 4-lane collector through Clayton County. The existing intersection of Southampton Road and Norman Boulevard at Godby Road will be realigned. The signal at the realigned intersection will be upgraded.
