

GEORGIA SCENIC BYWAY BY THE GEORGIA DEPARTMENT OF TRANSPORTATION 2011

HISTORIC PIEDMONT SCENIC BYWAY — DESIGNATED.

The Office of Planning at the Georgia Department of Transportation designated the Historic Piedmont Scenic Byway.

Traveling through Putnam and Hancock Counties, the Historic Piedmont Scenic Byway stretches for 82 miles, following State Highways 15, 16 and 77, and rural county roads which link the county seats of Eatonton, Sparta and the communities of Linton, Culverton, and Jewell.

From the Rock Hawk effigy, built by Native Americans thousands of years ago, to Glen Mary Plantation and other antebellum homes, this route reveals a region of Georgia that is rich in historic and cultural qualities.

The scenic and natural beauty of the Piedmont is also on display as the byway travels through the Oconee National Forest, across the Oconee and Ogeechee Rivers, and past acres of rolling farmland.
